

# PPFSC Bridge Program - Beyond the Basics 2009-10

The Pawtucket & Providence Figure Skating Club is offering its Bridge Program for the 2009-10 season. As an extension of the Bridge Program, we will also be providing instruction in Basic Dance. Lessons will be conducted by PPFSC Bridge Club professionals. Classes will be conducted on Fridays from 5:10-6:00 p.m. at Lynch Arena in Pawtucket.

## Description of program

**Basic Skills Bridge Program Class:** The on-ice program will follow the US Figure Skating Basic Skills curriculum.

**Basic Dance Class:** This curriculum will serve as an introduction to Ice Dance.

Participants in the first session will have the opportunity to skate in a group program in the Club Holiday Exhibition on December 4.

The cost for each nine-week session is \$135 for one class, \$207 for two classes. In addition, a membership in PPFSC is required (\$55), which is valid until June, 2010. We are also offering a special discounted rate. Please see the following page for details. Please note that due to the low fees that are being charged, it is not possible to prorate the cost for late entries into the program.

## Additional information:

Each session has nine weeks of lessons.

Lessons are twenty-five minutes long.

Skaters may register for either one or both of the classes that are offered.

Fees cover the cost of the lesson(s) and 50 minutes of ice time.

Fees for two classes apply to classes that are taken in the same session.

Skaters will have the opportunity to take private lessons with a club professional at additional cost.

Registrations must be postmarked by the deadline indicated for each session desired.

A late fee of \$10 will be charged for any registration that is not postmarked by the deadline (Session 2 only).

Skaters are required to have a full PPFSC membership (\$55- good until June, 2010).

Please refer to the following page for the lesson schedule and fees.
