

PPFSC Bridge Program - Beyond the Basics 2008-09

The Pawtucket & Providence Figure Skating Club is offering a Bridge Program for the 2008-09 season. As an extension of the Bridge Program, we will also be providing instruction in Basic Dance. Lessons will be conducted by PPFSC Bridge Club professionals. Classes will be conducted on Fridays from 4:40 to 5:40 at Lynch Arena in Pawtucket.

Description of program

Bridge Program Class: The on-ice curriculum will include: stroking and edges, introductory moves in the field, spins, jumps, and more.

Basic Dance Class: This curriculum will serve as an introduction to Ice Dance.

Participants in these lessons in Sessions 1 and 2 will have the opportunity to skate in a group program in the Club Holiday Exhibition on December 5.

The cost for each six-week session is \$90 for one class, \$138 for two classes. We are also offering a special discounted rate. Please see the following page for details. Please note that due to the low fees that are being charged, it is not possible to prorate the cost for late entries into the program.
