There will be a \$20 fee added to your bill for each check that is returned to us for insufficient funds. Skaters are placed on sessions in the order in which the assistant treasurer receives the applications up until the deadline. Full members are given first consideration, associates next, then non-members. After the deadline only the post mark is the deciding factor. You may not drop a session once it has begun. The Board of Governors reserves the right to change the level requirements or discipline of any session that is under enrolled. Please check our bulletin board and website for updates and changes.

All **summer ice bills must be paid in full** before the fall/winter application will be accepted. A deposit of **\$100** must accompany application before it will be accepted. We are looking forward to an enjoyable, productive year ahead.

**Fall/Winter Ice Schedule**

**What's new at PPFSC?**

Beginning with the fall/winter season, PPFSC is instituting some new policies and programs. We feel that all of them ultimately will improve the skating experience for PPFSC skaters and coaches.

**Service Requirement**

The Board has established the requirement that each skater who contracts ice time or purchases a Season Pass work four hours at one of the Club's fundraising activities, such as the Providence Open. The proceeds from fundraisers such as this are being used to subsidize the ice bills of PPFSC skaters, and we need workers to ensure that we are indeed able to successfully run these activities. There will be a variety of options that will be available for service time, assuring that everyone will be able to meet the obligation without difficulty. The service time can be fulfilled by either the skater or other family member. A fee of \$100 will be added to the January ice bill of every skater who does not fulfill the requirement.

**The Season Pass**

We are offering a new option to skaters who are unable to make a commitment to contracted ice time, but purchase many walk-ons over the course of the season. The Season Pass involves the purchase of a package of 20 walk-on passes for the upcoming season. This will cost less than the equivalent number of walk-ons at the regular rate. The advantage of the Season Pass is that it allows flexibility over the course of the season.

The Season Pass

- will be treated like a contract and will incur music fees and the new service requirement as described above;
- does not guarantee a spot on the ice; it can only be used if space is available;
- is to be used by only one skater, just like a contracted session; and
- is valid only through March 29, 2010.

In addition, a skater with a Season Pass will be given the priority for a place on an ice session over a regular walk-on.

**Basic Skills**

Beginning in October, PPFSC will be running a Basic Skills Program on Saturdays from 11-2. We will be making more information available as our plans for this program are finalized.

## Music Volunteer Duties

We wish to remind those considering signing up to play music that volunteer duties are as follows.

Volunteers are needed to take attendance, accept buy-on payments, and be responsible for making the harness available, and play music. The volunteer is expected to enforce the club's rules regarding its ice sessions and walk-on fees.

The music fee will be credited back to your account at the conclusion of the (Fall/Winter) session if you have Volunteered **7** times during the session. Volunteers must arrive 10 minutes before the start of their session (at ice make) to begin to accept buy-ons and to relieve the previous monitor. It is imperative that the walk-on fees, music box, attendance box, and harness are locked up if there is no one there to relieve you or if you are the last person playing music for the day. If you are a volunteer during a session for which there is a prior moves session, you are responsible for attendance and buy-ons for the moves session as well. All of your efforts will help PPFSC run more smoothly. We appreciate your cooperation.
