Theater On Ice

What is Theater On Ice?

Theater On Ice is a form of competitive figure skating that combines the grace of skating with the excitement of theater and dance. Teams consist of 8 to 30 skaters, who work together to tell a story on the ice. Known as "TOI," Theater on Ice is popular in Europe and is growing in the United States.

Theater on Ice benefits a skater as he or she...

- develops the dramatic side of his/her skating
- gains confidence when performing at competitions and shows
- continues to practice and improve technical skills
- acts as part of a team
- makes new friends and has fun!
