- **In addition, skaters who have a *Learn to Skate USA* membership must be on a lesson with a coach.**
- **Please have your membership card available if you are not a PPFSC member.**

If you have any questions, contact Haoli at lihaoli@gmail.com

- There will be a \$20 fee added to your bill for each check that is returned to us for insufficient funds.
- Skaters are placed on sessions in the order in which the assistant treasurer receives the applications up until the deadline. Full members are given first consideration, associates next, then non-members. After the deadline, only the postmark is the deciding factor.
- You may not drop a session once it has begun.
- The Board of Governors reserves the right to change the level requirements or discipline of any session that is under-enrolled.
- Please check our Facebook page and website for updates and changes.

All ***summer ice bills must be paid in full*** before the fall/winter application will be accepted. A deposit of **\$100** must accompany application before it will be accepted. We are looking forward to an enjoyable, productive year ahead.

Sincerely,
Gloria Haddad
PPFSC President

Service Requirement

The Board has established the requirement that each skater who contracts ice time or purchases a Season Pass, work four hours at one of the Club's fundraising activities, such as the activities listed below. The proceeds from fundraisers, such as this, are being used to subsidize the ice bills of PPFSC skaters, and we need workers to ensure that we are indeed able to successfully run these activities. There will be a variety of options that will be available for service time, assuring that everyone will be able to meet the obligation without difficulty.

Some of the events/activities that will provide service opportunities include, but are not limited to:

- LeeAnn Miele Synchronized Skating Open- November 9, 2025
- NEICC High School Competition- January 18, 2026
- Learn to Skate Program on Sundays
- PPFSC Holiday Exhibition

The service time can be fulfilled by either an adult family member or the skater of an appropriate age. A fee of \$100 will be added to the January ice bill of every skater who does not fulfill the requirement.

The Season Pass

We are offering this option to skaters who are unable to make a commitment to contracted ice time, but purchase many walk-ons over the course of the season. The Season Pass involves the purchase of a package of 15 walk-on passes for the upcoming season. This will cost less than the equivalent number of walk-ons at the regular rate. The advantage of the Season Pass is that it allows flexibility over the course of the season.

The Season Pass

- will be treated like a contract and will incur Session Admin fees and the service requirement as described above;
- does not guarantee a spot on the ice; it can only be used if space is available;
- can be used on any Open Combined session on either Saturday or Sunday;
- is to be used by only one skater, just like a contracted session; and
- is valid only for the fall/winter season.

In addition, a skater with a Season Pass will be given the priority for a place on an ice session over a regular walk-on.
